

Signature Removal Form w/ Instructions

If you signed the petition to repeal LB 753, the Opportunity Scholarships Act, and have changed your mind, follow these steps.

The easiest way to complete the “Affidavit for Removal of Name on Petition Form” is to:

1. Go to your county clerk’s or election commissioner’s office with a printed form.
2. For the first two lines on the form, we have prefilled the form with the required description of the petition: “The Petition to repeal LB753, The Opportunity Scholarships Act”. If your form does not have the description prefilled on those lines, you will need to add the description.
3. Include your legal name (the name you used to register to vote), your home address, and the date you are completing the form in the presence of your county clerk/election commissioner.
4. Sign and Date the form in the presence of your county clerk/election commissioner.
5. Leave the form with your county clerk/election commissioner. They will mail the form to the Secretary of State.

The second option is to complete the above steps in the presence of a notary public.

Once a Notary signs and stamps your completed form, you can:

1. Deliver the form to your county clerk/election commissioner office.

OR

2. Mail the form to the Secretary of State

Nebraska Secretary of State

P.O. Box 94608

You must mail or deliver your form in time for it to be delivered to the Secretary of State’s office no later than Wednesday, August 30. We suggest delivering or mailing the form on or before Friday, August 25.

After that date we would encourage you to hand deliver the form to one of the Secretary of State’s offices in Lincoln: the State Capitol, Room 2300, OR at 1201 N Street, Suite 120.

On any weekday on or before August 30 at 5pm, you can go to either of the Secretary of State’s offices in Lincoln, request a petition signature removal form, and ask the office staff to notarize your signature.
