OUR STORY

Nebraska Family Alliance (NFA) is a policy research and educational ministry founded in 1988 by a group of engaged parents and pastors who knew our most cherished freedoms must be fought for and protected.

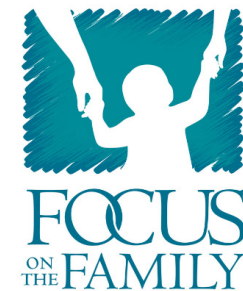

They took a stand and established a statewide advocacy network of thousands of Christian families, leaders, and churches. Today, NFA is the longest-standing pro-family organization in Nebraska, and with your faithful support, our expanding ministry will continue to **influence policy, mobilize prayer, and empower people** for generations to come.

OUR VISION

Ensure Nebraska is a place where God is honored, marriages and families thrive, life is cherished, parental rights are protected, and religious liberty flourishes.
